### Termination of Services Notice

Dear valued customers and Partners and Agents

Effective from DATU Honor V.2506W /2506E , the Company will officially terminate the following shipping services related to the Russian market:

- 1.All regular container shipping routes between china and Russian far east ports
- 2.Value-added services such as inland transportation service and customs clearance service

At the same time, Termination previous nomination notice with Vin Group LLC (INN :2543184393) Vladivostok port agent , and LLC Universal Forwarding(VAT ID: 7736612767)as general agent in the ports of Russian Federation.

The decision to terminate these services is based on the Company's long-term operational planning, changes in market demand, and the need to optimize resource allocation to better focus on core service routes.

Since Voyage 2506W/2506E, SSL not allow any company and agents to issue B/L behalf of name of carrier and termination of all contracts with vessel/empty owner/Bunker Supplier will effective immediately,SSL have no responsibility if Russian agent sign in name of SSL

Sincerely,

Smart Shipping Line Limited
